Child, Adolescent, Adult Psychologist Family and Couples Psychologist

4thought psychology is a vibrant family, child, adolescent and adult practice with over 20 years of building trusted relationships within the Bayside community. We provide a multi-disciplinary therapy structure for clients and practitioners and support the entire lifespan for families and individuals.

Our values are based on providing the best possible outcomes for clients as well as professional development and support for practitioners. 4thought has a genuine commitment to improving the lives of our clients. Attention has been given to the therapeutic space, the procedures and policies, and practitioner's professional development to create work life balance.

This is a great opportunity for you to join our team and develop a role that fits your passions and interests. The successful candidate will be passionate about engaging in clinical work across the forensic population.

A relaxed environment with well-established gardens including a basketball ring, sitting area, and a few farmyard friends provide unique opportunities to work both therapeutically and creatively.

Psychologist Competencies:

- Specialist training and experience in couples and/or family therapy
- Sound knowledge of family dynamics, family of origin, attachment (child development an advantage)
- Experience dealing with separated families (legal experience favourable)
- Providing diverse therapeutic approaches with anxiety, depression, PTSD, behavioral challenges, self-harm, eating disorders, relationship counselling.

Your Qualities and Credentials should include:

- Registered with AHPRA, APS
- Medicare provider number required
- 3 or more years' experience, Private practice experiences an advantage
- Have a strong moral and ethical compass with a passion for client care
- Open to professional development and shared collegial case study discussions
- Experience liaising with multi-disciplinary teams and practitioners
- Advantage: trained in EMDR, ACT, Mindfulness
- Clinical registration well regarded

The Benefits:

This role will suit a passionate and creative psychologist, with a strong commitment to providing a level of excellence in the services for clients.

- Join a thriving practice with clinical/professional development through peer supervision and open discussions
- Our diverse range of clientele offers areas of growth to consolidate and expand professional skills and areas of interest
- Supportive practice of case managements and therapeutic approaches
- Excellent remuneration, flexible hours and session times to promote work/life balance
- Work creatively in tranquil gardens, with an outdoor sitting area, our animal friends and play equipment
